Brand New Book ***** Print on Demand *****.Since the writing of this booklet, Donald J Trump has been elected as the next president of the United States of America. It appears the destruction that many Americans have feared has been diverted. But pride still precedes a fall; even the pride of this life which is the all-time blunder of America and her Church. If you ve been wondering what the potential for national chaos to strike America is, herein lies the answer. Most of the contents of this short book are common knowledge for many but Paula Cross brings things together in a way that demonstrates why America isn t just possibly going to face great devastation, but certainly. Is America Mystery Babylon? Just what does the Bible show us concerning judgment and how is it affiliated with the United States of America? Where is America heading - regardless of who is in the White House? What will it take to snap the Church out of the illusion that we can love the world and still expect God s blessings, much less make America great again ? --- Our hope is not in change or a president that will bring American policies back in line with God s standards only. Our hope lies in a broken America that has a Commander in Chief who will bend his knee.
