Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Lose weight and feel great by using this essential oils guide The perfect way to lose weight NOW! A must-have pocket book Did you know that you can actually lose weight by using essential oils? Essential oils are used in variety of ways and some can actually boost your weight loss! This book will take you step by step on how you can achieve your most desired weight loss goals! Reach your weight loss goal NOW Essential oils and weight loss. This book contains proven steps and strategies on how to effectively lose weight in a stress-free manner following the instructions, and using tips and recipes outlined in this book. Obesity has become a huge concern which is why weight loss has received a lot of attention in recent times, not only among health buffs, but also among fitness enthusiasts, the medical community, and even the beauty industry. It has, in fact, become a multi-billion dollar industry. Diet fad after diet fad have continuously gained worldwide followers despite the seemingly never-ending new concepts and approaches riding on peoples insatiable quest for what will work in a less demanding way. Now come essential oils; and as usual, there are naysayers and people who swear by it. Essential oils have suddenly claimed a prominent and unique position in the field of weight management, though, primarily because they also targets the one area that is often overlooked - the psychological or emotional aspect. A lot of people usually fail to complete their training and diet regimens because of a lack of motivation and the whole weight loss ordeal just being more stressful, and essential oils aims to make it easier. What is noteworthy...
