ETHICS IN PRACTICE: LAWYERS ROLES, RESPONSIBILITIES, AND REGULATION (PAPERBACK)**DOWNLOAD**

Oxford University Press Inc, United States, 2003. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book ***** Print on Demand *****.Lawyers ethics have been condemned for centuries, but they received little scholarly scrutiny until the last few decades. Ethics in Practice brings together leading experts in the emerging field of legal ethics to discuss the central dilemmas of practicing law. This collection cuts across conventional disciplinary boundaries to address the roles, responsibilities, and regulation of contemporary lawyers. Contributors address common concerns from diverse perspectives, including philosophy, psychology, economics, political science, and organizational behavior. Topics include the nature of professions, the structure of practice, the constraints of an adversarial system, the attorney-client relationship, the practical value of moral theory, the role of race and gender, and the public service responsibilities of lawyers and law students. Unique in both its breadth and its depth, this book redefines debates that are of enduring significance for both the profession and the public.
