By Fort Harrison Centennial Association

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Fort Harrison: On the Banks of the Wabash, 1812-1912 Four hundred years ago North America was a panorama of Nature. All the geological and geographical forms were represented in generous proportions. Mountains and plains, forests and prairies, great lakes and mighty rivers, all abounding with the varied forms of life. There were vast areas of rich agricultural lands and quantities of coal and iron, and of copper, lead and zinc, of silver and gold and of many useful minerals. It was an ideal home for the fisherman and hunter, and for the savage who accepted nature as he found it, being scarcely more than another feature of the panorama. There were perhaps 500,000 of these native people in North America. They were called Indians. Physically they were fully developed with acute senses and strong passions; but intellectually and morally they were more like children. For their support they did not utilize even a tithe of the natural products so abundant everywhere. Through a more complete utilization of these natural resources. North America has become the...

Reviews

This ebook is fantastic. It is probably the most awesome book i actually have read. I found out this ebook from my i and dad suggested this book to understand.
