Liferich, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Not yet eighteen years of age, I was allowed to leave the office early before the nightly bombing began in earnest. Walking down the street on my way to the railway station, suddenly I found myself high up on a spiked metal fence outside an office building. An angry air-raid warden yelled at me, What are you doing climbing up there when an air raid is in progress? Why aren t you in that shelter on the other side of the street under that eh, eh . Building, he was about to say, when he saw that it was no longer there, just a huge cavity where the large office building with the shelter in the basement had been. Many workers were killed there. Then he turned his attention back to me as I was clamoring to be helped down. Why are you up there? he exclaimed in irritation. Mad as hell, I asked him how did he think I got up there by myself, hurting as I was and afraid I would soon be undressed, the iron spike of the fence having pierced the collar of my coat, and it was a long fall to the pavement. Needless, to say I was as surprised as he was. How did I get there then?.
