## Pollen

By Tom Abrey

DC Books, Canada, Canada, 2011. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book. With wit and sensitivity, these tales portray moments of suffering, confusion and discovery. Also, the reader is introduced to a wide variety of worlds, worlds that reveal Abrey's deep understanding of how people engage with-and become obsessed by-activities such as Japanese kite-making, bees, daycare, alcohol, and motorcycle maintenance. How does the activity reveal the person? How the problem? Abrey's stories push full-on into the world of obsessions. A new vacuum cleaner becomes a new pawn in a just-ended relationship. Riding-a-motorbike becomes the way brothers bond over their troubled relationship with their father. A wise naturalist takes the reader on a comic tour of an animal-filled mall, and a bee infestation in a kitchen forces three urban apartment-sharing youths to suddenly confront nature and their own changing relationship. Yes: in these stories, Tom Abrey shows us how every human activity becomes a metaphor: for self-revelation, and for relationships that range from romantic to familial.
