Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Nature has a rhythm. I love to listen, and write what I hear and see. This book is a mixture of free verse, short poems, haiku and other form poems with a nature theme. Some poems are a conversion of day to day life, from motherhood to grief. I m Clara B. Ray, and this is my first book. It has been a delightful experience writing nature as a poetry collection.
