Reviews

Great electronic book and useful one. Better then never, though i am quite late in start reading this one. You can expect to like the way the author compose this ebook.

(Matteo Johnson)

THE MAKING OF THREE GARDENS (HARDBACK)

Merrell Publishers Ltd, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. The garden design firm of SMI Landscape Architecture is known for its estate masterplanning, its public gardens and streetscapes, and its thoughtful private gardens for clients across the United States and in the Bahamas. The firm's philosophy incorporates a botanical garden approach with exotic planting and elements of classical European design to create beautiful, usable spaces, and it is also known for its preservation and restoration of old landscapes. As Jorge Sanchez puts it in the Prologue, Most of us tend to look at garden books for their pictures. In this one I would like to show you why; why the pictures came about. It is all part of why we came about. Gardens do not just happen. They are creations. This book examines three of the firm's recent private gardens in great detail, two in Florida (South) and one in Scarsdale, New York (North). Practical information about the design approach and details of the planting are combined with Sanchez's account of the process behind each garden, his relationship with the client and the reasons for his decisions. Through the narrative - often personal, always descriptive, always detailed - a picture builds up of his approach to each set of circumstances. The first project is in Miami, a family garden with a surprisingly un-tropical design for its southern location. Describing each area of the garden in detail, Sanchez explains that the clients wanted it to feel like a northern landscape, and how that requirement influenced his choice of plants. He puts forward his belief in the importance of the relationship between house and garden, saying: Our responsibility as landscape gardeners is to complement the architecture .to give the buildings...
