Reviews

This book can be worthy of a read, and much better than other. It usually fails to charge a lot of. I realized this publication from my dad and i encouraged this pdf to understand.

THE TEMPEST - THE GRAPHIC NOVEL - QUICK TEXT

Classical Comics, London, 2009. Paperback. Book Condition: New. 1st Edition. 132pp Illustrated. [In stock in Australia, for immediate delivery]
The entire play in Quick Modern [UK] English - for a fast-paced read! O wonder! How many goodly creatures are there here! How beauteous mankind is! O brave new world That has such people in't. Although *The Tempest* was the first play to appear in the first official Folio printing of Shakespeare's plays, it was almost certainly the last play he wrote. It held pride of place in that first collection, presumably because the editors thought it to be his masterpiece; a crowning glory to the career of the master playwright. Needless to say, Classical Comics had to select the very best artists to do it justice, and to bring you the stunning artwork that you've come to expect from their titles. Poignant to the last, this book is a classic amongst classics.
