Arriving in the United States, speaking just three words in English, she set about making her fortune. Extraordinary, moving, captivating . (The Times). She tells her story with intelligence, verve and a candour that is often heart-rending . (Wall Street Journal). Ping Fu is the founder and CEO of Geomagic, a 3D digital reality solution company. She earned an MS in computer science at the University of Illinois and worked at the National Center for Supercomputing Applications and ATT Bell labs.
