Telos Publishing Ltd, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Is There Any Escape? Ex-cop, Mordent, is an irascible, anachronistic PI with a noir sensibility and a bubblewrap fetish. Hired by the enigmatic Isabelle Silk to unearth dirt on a business associate, he becomes involved with Jessica - a floozy with a fake Southern Belle accent - and hunts the Residue Killer: a twisted individual intent on despatching survivors of previous serial killer attacks. All the trails lead to the Church of Wire. Yet does this surrealist religious sect really lie at the heart of the killings? Church of Wire is the second in a series of exciting crime novels putting a neo-noir twist on the genre conventions of bums and dames, corruption and perversion, and cops and informers; all played out on rain-soaked streets amid a shadow-filled city. Beautiful prose, a razor sharp eye for detail, and chills aplenty. Hook rebirths the noir, but with a very hard darkness and a disturbing air of mystery. Paul Finch, author of *Dean Man Walking Praise for The Immortalists*: The interplay between Mordent and the other characters is a delight to read, as is the prose throughout with its hard boiled sensibilities, short sentences that cut like diamond on glass and metaphors as apposite as they are off kilter. Peter Tennant, *Black Static*.
