Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modified the way I really believe.

Internationally renowned dolphin expert Dr Horace Dobbs tells the incredible story of over two decades work with dolphins and reveals new research that shows how dolphins can inspire us not only with their beauty and intelligence; they can also heal us physically and emotionally. Dobbs explores possible scientific explanations for the healing power of dolphins which he supports with many heart-warming tales of personal transformation. These stories include that of Bill who, after swimming with dolphins, was completely cured after 12 years of depression; Lilo who s terminal cancer regressed; and the incredible story of Eve, a severely autistic girl who uttered her first word, good , after meeting a dolphin.
