Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modified the way I really believe.

AUTHORHOUSE, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Let the good times roll! I keep an annual journal of letters to a captive audience: my relatives and friends. I decided to convert them into a manuscript. (The letters, Mouse, not the relatives and friends.) Throughout it, you will find my friendly imaginary companion, Mouse, both in the text conversations and illustrations. I call him Mouse. That's because he is a mouse. He was my inspiration for the original title, A Mouse In My Pocket because we collaborated on key issues. Due to a quirk of fate, one of the publishing companies I queried mistakenly thought I had written a children's book and rejected it on that basis. From that clue, I knew I would not reach...
