# INTELLIGENCE FOR HUMAN-ASSISTANT PLANETARY SURFACE ROBOTS

Intelligence for Human-Assistant Planetary Surface Robots

NASA Technical Reports Server (NTRS)

BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 24 pages. Dimensions: 9.7in x 7.4in x 0.1in. The central premise in developing effective human-assistant planetary surface robots is that robotic intelligence is needed. The exact type, method, forms and/or quantity of intelligence is an open issue being explored on the ERA project, as well as others. In addition to field testing, theoretical research into this area can help provide answers on how to design future planetary robots. Many...

## Reviews

*A high quality book as well as the font applied was exciting to read through. This can be for all those who state there was not a well worth looking at. I discovered this ebook from my i and dad recommended this ebook to find out.*

-- **Mr. Monserrat Wiegand**

*It is just one of the best publication. This can be for anyone who state that there was not a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Tara Jerde**

*This is actually the finest ebook we have go through until now. It is written in straightforward words and phrases instead of difficult to understand. It has been designed in a remarkably straightforward way and is particularly just following I finished reading through this book by which basically changed me, change the way in my opinion.*
