ONLINE PROFESSIONAL DEVELOPMENT: A CUSTOMIZED APPROACH FOR TECHNOLOGY LEADERS

Viva Books, 2009. Softcover. Book Condition: New. First edition. Now widely accepted as a viable medium for learning, the Internet is one of the most common instructional technologies used in elementary and secondary classrooms. This singular guide proposes that the Internet can similarly revolutionize teacher training. In fact, the authors and experts who participated in the development of this guide see the Internet as an open invitation for professional development journeys that can meet the unique needs of any learning...
