North Atlantic Books, U.S., United States, 2015. Paperback. Book Condition: New. Revised ed.. 229 x 152 mm. Language: English . Brand New Book. The definitive guide to feeding your dog a balanced and nutritious raw and home-cooked diet, from the founder of a natural pets product company with over thirty years of experience working with dogs. Many people want to prepare their dog's meals at home, but feel it is too complex. Raw and Natural Nutrition for Dogs provides a road map to the essentials of canine nutrition, written in easy-to-understand language. Pet owners seeking to give their dogs a better coat, better skin, and healthier teeth and gums, as well as longer lives and more stable temperaments, will benefit not only from the background data in this book, but also the step-by-step instructions and recipes for preparing these diets. The book includes charts with the recipes, instructions on keeping diets simple and balanced, guidelines on preparation, suggestions for finding ingredients, and how much to feed a dog by body weight. There are recipes for healthy adult dogs, as well as guidelines for puppies, senior dogs, and dogs with health conditions including pancreatitis, renal problems, gastric issues, allergies, heart disease, liver disease, and cancer. Tracing the history of feeding dogs, the author shows when commercial dog food rose and took hold of the market. She discusses canine nutritional needs and provides research on how home-prepared foods can meet pets' needs better than commercial, processed dog food. Written with thorough information for the seasoned raw feeder, this guide can also be easily followed by any newcomer to home-feeding. This revised edition includes new information on special care and feeding of pregnant, newborn, performance, and toy breed dogs as well as senior dog considerations and the safety of the raw food diet for...
