## SURVIVING HATE AND VULNERABILITY IN AMERICA NOW!: THE POWER IS IN YOU! (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Surviving Hate And Vulnerability In America Now! The Power Is In You! This Book is about the times that we live in now and how it seems that we have no power when the reality is that we are the ones that can access our power individually and help to remedy events earlier than a collective effort. This topic seems very heavy but the power is in understanding that mental paralysis is not the answer. Please enter this book with a take charge of your life intention and we will all benefit. As you create your reassessment, the simplicity can emerge from the volumes of doubt and fear. At the First Inauguration of Franklin D. Roosevelt on March 4, 1933, his speech included his famous quote - The Only Thing We Have To Fear Is Fear Itself The circumstance repeats now as fear is rampant and unproductive. Each reader is invited to take the power they have to make their individual contribution to our recovery and share their perspective of our future potential and power.
