Brand New Book ***** Print on Demand *****.As fantastic as it may seem the potential of a Zombie Apocalypse occurring is more probable than mere science fiction. There are many precedents in Nature where parasites invade and zombieify their hosts to do their bidding. And, as technologies in bioengineering and nanotechnology continue to populate the world emergence of an agent whether biological or nanotechnological (e.g. mind-controlling berserker nanobots) is certainly becoming more and more conceivable. Although no objective scientific evidence has been brought to the global table that could support the existence of a human zombie the probability of such an occurrence merits serious consideration. What would you do for you and yours if a Zombie Outbreak occurred? What would you do for you and yours if the Outbreak escalated into a full-blown Apocalypse? As cliché as it sounds, only the strong and prepared would survive, you the millions against the billions that are Zombies. Enter the solution - Zombie Korusu Jutsu !! Zombie Korusu Jutsu (ZKJ) is a formal martial art designed to prepare you and yours for a Zombie Apocalypse by developing skills to effectively fight and destroy Zombies, as well as acquire fundamental survival skills including sheltering, water purification, fire craft, food management, stealth, and more.
