Brand New Book ***** Print on Demand *****.This book forms a garland of funny episodes made by the author on different aspects of politics and politicians. They have figured in articles and talks to informal groups of friendly audience on different occasions. They have the underlying theme of political errors, comedies and stupidity with a mix of humor. The episodes are evolved out of imaginary conversations and are not depicting the behaviors of politicians, though fictitious events and names may have coincidence. The author wishes to drive home the message that these follies may help to avoid pitfalls or improve the performance of politicians. The least that is expected is that readers could read enjoy laugh and relax.
