Dimensions: 9.0in. x 6.0in. x 0.1in.Excerpt from A Charge Delivered to the Clergy of the Diocese of Oxford Nevertheless, if within certain limits the Articles may be SO construed as not to force persons of a Calvinistic bias to leave the Church, I do not see why a similar licence, within the same limits, is not to be conceded to those, whose opinions accord with those of our Divines who resisted the puritanical temper Of the 16th and 17th centuries; or why such persons Should be forced into communion with Rome. And I say this the more, because I am satisfied that the 90th Tract was written with the object of retaining persons within the bosom of our Church who might otherwise bhav seceded, and further, because I think that few living men have written more ably upon the errors of the Romish Church, and the sin of leaving our own Church for her communion, than the author of that Tract.
