## AVENTURES EXTRAORDINARIES D EN MASSAGRAN

By FOLCH I TORRES, JOSEP MARIA

EDITORIAL BAMBU, BARCELONA, 2018. Rústica. Condition: New. Dust Jacket Condition: Nuevo. JUNCEDA, JOAN (illustrator). 1. Torna en Massagran, el gran clàssic de la literatura juvenil catalana, en una edició restaurada de les seves aventures extraordinàries, escrites el 1910 per Josep M. Folch i Torres com una sàtira de les novel·les d'aventures, que han perdurat fins avui sense perdre gràcia i originalitat. En Massagran és l'antiheroi català per excel·lència, políticament poc correcte però ple de bones intencions. El que se'n diu un tros de pa! Massagran is the main character of the book, written in 1910. Based on the original work, his character gave rise to a collection of comics, written by the original author's son, Ramon Folch i Camarasa, and drawn by Josep Maria Madorell, based in turn on Junceda's illustrations. All of them were serialised in the children's magazine Cavall Fort. Massagran's adventures compile Eurocentric conceptions and reflect the topics of the time in which it was published. We also find this aspect in contemporary works like Babar, Tarzan and Tintin. LIBRO.

### Reviews

*Very good eBook and valuable one. Better then never, though i am quite late in start reading this one. I am very easily could possibly get a satisfaction of reading through a created publication.*

-- **Brianne Heidenreich**

*Extensive information! Its this type of excellent study. I have read and i am sure that i will gonna go through yet again once more down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
