Brand New Book ***** Print on Demand *****.Sometimes we make relationships more complicated than they need to be by not learning from our past mistakes and repeating them and/or expecting more from others than they are realistically capable of giving. The Revolving Door is a short story of four people and their struggles from not learning from past mistakes and their clumsy attempts to fix what may be irreparably broken. Other works by Brenda Thornlow, including poems and other stories, are included in this book plus a sample of chapter 1 from the first book in her time travel series, My Life as I Knew It.
