Rosedog Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In The Watchman Cambro uses his unique writing style to blend elements of love, hate, grand ambitions, science, religion, history, and fantasy - but all with an overriding touch of the supernatural. Part One opens in 1948 with Gerald Mitchell, a good family man, contemplating murder even as a mysterious watchman strives to deter him. Gerald s actions that night propel him and his family, unwittingly, into a titanic battle between good and evil forces, embodied by two haunting spirits. This battle shifts in Part Two to younger generations as the turn of the new millennium approaches. Romantic drama intertwines with the sweep of business and worldly affairs, as fortunes and lives are made and lost. This seesaw pattern between triumph, tragedy, and redemption extends far into the future as is told later in Parts Three and Four. About the Author Cambro was born and raised in New York City and has led a quiet professional life for many years. It is sufficient to say that his passion is simply to tell compelling, but entertaining, stories that go beyond the normal boundaries of human experience.
