

A Brief On Threats To 21st Century Democracy and The Implications of Postmodernism: The Medicine of Metaphysics (Hardback)

By Fabian Burnett

AUTHORHOUSE, United States, 2008. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Philosophers, theorists, writers and such commentators use various yardsticks of measurement when trying to gauge the temperature and general well-being of the human condition. This book seeks to investigate the state of the human condition as it stands in the 21st century, thus far. To this end, the concepts of democracy and postmodernism are given much attention in this book. Several threats to 21st century democracy are examined, as real world issues are highlighted as examples for you the reader to assimilate. This exercise exposes that some threats to democracy are underpinned by the factors of religion and religious fanaticism. This reality is shown to be an indication of a retarded state of human development, so metaphysical philosophy and postmodernism are proffered as concepts that encapsulate the ideological medicine that is necessary to remedy this state of retardation. The postmodern debate is therefore assessed, as this book seeks to further define postmodernism while trying to transform this intriguing and otherwise profound concept, into a more cognitively palatable philosophical construct. A metaphysical interpretation of postmodernism is given in an endeavour to reveal that postmodernism...
