This book is fantastic. This is certainly for all those who statte there had not been a really worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.

CHUNKY SAFARI ZEBRA

Barron's Educational Series Inc., U.S. Board book. Book Condition: new. BRAND NEW, Chunky Safari Zebra, Emily Bolam, Emily Bolam, All books in Barron's Chunky Safari series stand right up on their feet and do double duty as story books and toys. When closed, they're shaped like wild animals, and have amusing faces and button eyes that roll and wiggle. When kids open the extra-thick board pages of these books they find an entertaining little animal story in easy to understand words, with full-color illustrations on every page. Preschool kids will love these books. When they've finished this story, they can close the covers and use the zebra to create stories of their own.
