Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The perfect gag gift for new parents. Does child care come with a manual? Absolutely not! This book is filled with alternating blank and lined pages with no text at all. It's designed to explain everything parents know about taking care of a baby, which is nothing. Not only does it make a great coffee table book, but its pages can be used as a diary of milestones, a record of special moments, a place for friends to write messages, a notebook for tips and tricks, or all of the above. Make the gift even more special by tucking a little cash or gift certificate into the folds. ** Bulk orders of 25 or more are available for all titles at a discount directly from the publisher, Write Run Books, for corporate offerings, special event gifts, party favors for groups, educational gifts, conference and convention hand-outs, promotional items, and charitable giveaways. On the BACK COVER: A comprehensive research-based guide! Congratulations! Are you feeling pressure to do everything right the first time? So is every other parent. This go-to guide completely details how much new parents actually know about caring for a baby, including wisdom compiled from classes, research, observation, experience, advice, and common sense. since the beginning of time. It goes on to answer many important questions! - Why do babies cry when you take them somewhere? - Why does your baby wake up when you fall asleep? - How can you sleep when the baby's sleeping if you're driving? - Why is there a nursery when the baby sleeps in your room? -What's that smell? - Why do babies poop or vomit right after you get dressed?...
