

for love and autonomy (Paperback)

By Anahita Jamali Rad

Talon Books, Canada, Canada, 2016. Paperback. Condition: New. Language: English . Brand New Book. Anahita Jamali Rad's debut book of poetry juxtaposes Marxist economics with pop culture lyrics, from FKA Twigs to Sonic Youth, tangling the You I of relationships and social identification. She asks: How is it possible to communicate when the I speaks from the margins? Who is the I when Motown's doo-wop and post-punk's Telecaster jangles shake up the body's rhythm? for love and autonomy speaks from a place of discomfort, where internalized pop songs mutate communication and meaning under the guises of individuality and romanticism. Jamali Rad's I is highly textured, musical, and suspect. Her poems bring us together with their rebellious voices - only to push us away into alienation when mimicry falls flat, when the I loses its context, when we become oppressed, thingified, dependent, and belligerent. Jamali Rad deals with the stuff of everyday life: work and sex, friendship and love. Her critical attention to the structure of these social relations creates a poetics of trial and failure, questioning the very culture responsible for its making as she forges a way for the possibility of radical resistance in language.
