HEMBREE HOPEFULS: A HEMBREE ELEMENTARY STORY (PAPERBACK)

iUniverse, United States, 2003. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The first semester at Hembree Elementary School was filled with intrigue and mystery as three mischievous fifth grade boys learned a valuable lesson about themselves. The first-year school, under the supervision of the disciplined, yet encouraging principal Mrs. Silly-Willie, had a bizarre situation where electric pencil sharpeners were missing. The boys, along with their female classmates, had an interesting winter, too. A mystifying mural, created by an enigmatic artist Magi, catapulted the students into a fantastic world where fantasy and reality were difficult to tell apart. Now, with spring fresh in the air, Mr. Puffy s class participates with a partner school across town in the district-wide science fair. The group of students creates a most unusual project. This project catapults them into a yet another captivating adventure where their writing and reasoning skills will be significantly challenged.
