Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Hither and Yon by Land and Sea I shall have to give only a rough and sketchy account of this voyage for many reasons. In the first place, much of it had to be hastily written without books, and in the next a so-called round trip is something like a tramp, the pauses being many but brief, and therefore superficial in the impressions they produce. But superficial impressions are often very vivid, and are etched very sharply into the memory, so I may hope to give you a few interesting pictures from the many that I collected. I have told you in previous travel-papers of the solemn dignity of Egypt, of the barbaric splendors of India, of the wonderful picturesqueness of Japan, of the tropical luxuriance of Mexico and the decaying glories of Spain.
