Masters: J.A.D. Ingres (LCT)

By Uwe Fleckner

Ullmann Publishing. Hardback. Condition: new. BRAND NEW, Masters: J.A.D. Ingres (LCT), Uwe Fleckner, Jean-Auguste-Dominique Ingres (1780-1867) was a French Neoclassical painter. Although he considered himself to be a painter of history in the tradition of Nicolas Poussin and Jacques-Louis David, by the end of his life it was Ingres' portraits, both painted and drawn, that were recognized as his greatest legacy. A man profoundly respectful of the past, he assumed the role of a guardian of academic orthodoxy against the ascendant Romantic style represented by his nemesis Eugene Delacroix. In this volume, numerous large-sized illustrations showcase the artist's oeuvre; authoritative texts illustrate the decisive stages in the artist's life and in the development of his work, explaining their significance in the context of his time and for the following generations of artists.

Reviews

A very wonderful pdf with perfect and lucid explanations. This can be for those who statte that there had not been a worth reading. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Mr. Stone Kunze**

It is an incredible book which i actually have ever go through. it had been writtern extremely completely and helpful. You can expect to like the way the blogger publish this book.
