

Scottish History without the Boring Bits: A Chronicle of the Curious, the Eccentric, the Atrocious and the Unlikely (Hardback)

Filesize: 9.24 MB

Reviews

This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).
(Scottie Schroeder DDS)

SCOTTISH HISTORY WITHOUT THE BORING BITS: A CHRONICLE OF THE CURIOUS, THE ECCENTRIC, THE ATROCIOUS AND THE UNLIKELY (HARDBACK)

[DOWNLOAD](#)

Birlinn General, United Kingdom, 2015. Hardback. Condition: New. Language: English . Brand New Book. As an antidote to more sober accounts of Scotland's history, Ian Crofton offers a colourful chronology of the eccentric, the infamous, the bawdy, the horrific and the hilarious people and events that have spattered across the pages of our nation's story. From the Royal High School riot to Marocco the Wonder Horse, from the War of the One-Eyed Woman to the MP cleared of stealing his ex-mistress's knickers, A History of Scotland Without the Boring Bits includes a host of little-known tales that you won't find in more conventional works of history, including the chatelaine who struck a general over the head with a leg of mutton, the cow that gave birth to fourteen puppies, the clan chief who ripped out the throat of his enemy with his teeth, the surgeon who was so fast with the saw that he inadvertently took off his patient's testicles as well as his leg, the mathematician who calculated that the Christian religion would finally disappear in the year 3153. Ian Crofton's alternative history of Scotland looks at the country's seedy underbelly with a quizzical eye. It is full of the mischievous humour and lightly-worn scholarship so praised by the critics in his Dictionary of Scottish Phrase and Fable.
