501 WRITERS ONE-LINERS (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book of One-Liners is the third in the 501 series. It contains a selection of one line thoughts and ponderings, many of which are amusing and some of which are profound. This offering is aimed mainly at writers and authors as a reminder pad of situations and observations seen through the eyes of someone with a sense of humor, or someone who has taken the trouble to actually sit on that mountain peak . somewhere, and think! The format is similar to 501 Writers Useful Phrases and 501 More Writers Useful Phrases in that the content is divided into ten sections with 50 one liners in each section and 51 in the final section. If this little book does nothing more than bring a smile to your face at three o'clock in the morning, slaving tirelessly over the ending of Chapter Four, after a full day of looking after the kids or holding down a high pressure job for ten hours, then it will have been worth it. However, if only one of the offerings within these pages jogs a memory button, allowing you to construct that searched for finished phrase, then this can only be considered a bonus. If you like this latest production in the 501 series, then why not catch up with the other two? Hopefully, you the reader . and more importantly, you the writer, will gain something from this latest edition of phrases, sayings and one-liners. It will hopefully make a great reference alongside the other two 501 books in the series, not only at the initial manuscript stage in the production of your next epic novel, but at the tough edit stage where just...
