ADOBE MUSE 2017: LEARNING THE BASICS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Adobe Creative Cloud is a service-software designed and first introduced by the Adobe Systems in 2011. The software itself is a collection of other software; all similarly designed to provide services in areas such as design, editing, web development, cloud storage and photography. The Adobe Creative Cloud software is currently offered as a full package. Users are however, able to purchase the individual software found in the system. The use of the software will require the user to sign up and choose from an annual or monthly subscription package then have the product downloaded via the web and installed to the desktop computer.
