Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, Self-editing Fiction That Sells: Discover Professional Techniques to Improve What You've Already Written, Lorena Goldsmith, Writing fiction is different to editing fiction. Each activity requires a separate frame of mind. Writing is creative thinking, editing is critical thinking. When writing, all you worry about is the narrative flow, not the consistency of point of view or the number of adverbs in your manuscript. Self-editing Fiction That Sells will teach you the necessary frame of mind to sit yourself in 'opposition' to your manuscript, as an editor would do, and improve it through structured editing and rewriting.
