In this tale of intrigue, love and revenge, spanning three decades and two continents, retired CIA operative, West Lambert, returns to help the Agency discover the secret behind a cutting edge computer chip manufactured in Lushan, China which could affect the economic balance of power in the world. Traveling first to Hong Kong, Lambert meets and enlists the aid of a beautiful martial arts master, Ching Ping, who is from Lushan. She releases Lambert and together they destroy the Joss manufacturing plant before escaping to America with the prized secret formula. This item ships from multiple locations....
