

After the Prophet: The Epic Story of the Shia-Sunni Split in Islam

Filesize: 9.01 MB

Reviews

Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Anchor, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Praise for *After the Prophet* "In *After the Prophet*, veteran Middle East journalist Lesley Hazleton tells with great flair the 'epic story of the Shia-Sunni split in Islam,' as she rightly calls it. " Ms Hazleton frames her account between such ghastly events as the bombing of the Shia shrine in Karbala on March 4, 2004, and the later, equally devastating attack by Al Qaeda on the Askariya Mosque in Samarra in February 2006. But *After the Prophet* isn't simply on-the-spot reportage. Ms Hazleton has steeped herself in the work of classical Muslim historians and in recent scholarship. The book is often thrilling in its depiction of long-ago events such as the tragedy of Karbala in 680, when Ali's son Hussein, the grandson of the Prophet, was massacred with most of his family. The slaughter -- still commemorated by the Shia in the annual Ashura rites -- is evoked vividly by Ms Hazleton, and it forms the inevitable climax of *After the Prophet*. Though she's quite even-handed in her narrative, her sympathies tend to lie with the Shia. That is to the good. Earlier accounts have almost always been skewed to the Sunni version of history. Sometimes the sheer telling of a tale, passionately and scrupulously done, can ease even the oldest and sorest of grievances -- with luck, maybe Ms Hazleton's work will have that effect on at least a few of these entrenched adversaries." -- Eric Ormsby, *The Wall Street Journal* "After the Prophet is a remarkable and respectful telling of the story of Islam--a tale of power, intrigue, rivalry, jealousy, assassination, manipulation, greed, and faith that would have made Machiavelli shudder (had he read it), but above all it is a very human story, told in a wonderfully..."
