Crocheting - 7 Simple Steps to Learning How to Crochet and Create Easy to Make Crochet Stitches and Crochet Patterns Today. Learn everything you need to know about crocheting! This book is will gift upon you the tools and knowledge that every novice should be aware of when they first begin their crocheting adventure. When you first decide to crochet, it can be quite a tough and confusing time. You will come across a lot of strange conceptions, phrases and equipment that will make you furrow your eyebrows in confusion. This book is meant to decode this new and alien world so you can begin your journey of being an able and skilled individual at crocheting. You could become like those people on YouTube videos who make it seem easy and effortless with their yarn and needle moving at an astounding speed. However, when you first start off you may end up with tangled yarn, strange looking stitches and an inner feeling of utter hopelessness. But don't lose hope. The important thing to remember, like with all things in life, is that practice makes perfect. This book will give you the basic tools of the trade, the knowledge of how to use the equipment, the simple stitches you can employ and the jargon you will run across. You will learn various things. In this book, we will thoroughly go over the basic building blocks of the craft, arming you to the teeth for your crocheting adventure. The first chapter will introduce you to the tools of the trade. What you will be working with when you start crocheting so you won't wander aimlessly in the craft store...
