FOR LIFE: DEFENDING THE UNBORN (PAPERBACK)

EICC Publications, 2018. Paperback Condition: New. Language: English . Brand New Book ***** Print on Demand *****. How do we understand and articulate the biblical basis for the pro-life position? How should we respond to the killing of unborn children? The biblical and historical answer to such questions lies in drawing attention to the idolatry which gave rise to our present culture's obsession with death, and demonstrating that life is something rooted in the nature of God, that can...

Reviews

Undoubtedly, this is the best function by any writer. This really is for those who statte there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.

-- **Dr. Deonte Hammes DDS**

This ebook is very gripping and exciting. It is one of the most amazing book we have study. Its been printed in an remarkably easy way and it is only after i finished reading this book through which really transformed me, affect the way i think.
