Unquestionably, this is actually the very best work by any article writer. It usually does not price a lot of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE SYNDICATE: CARL WEBER PRESENTS

Kensington Publishing, United States, 2016. Paperback. Book Condition: New. 210 x 140 mm. Language: English . Brand New Book. They were just kids when Claudette McPhearson took them all in. Eight of them all together, all different races and ethnicities, but she loves them as her own. One woman has taught them how to love, trust, and respect one another. Claudette is their light at the end of a long, troublesome tunnel, and she shines so bright. Then, one dreadful day, it all comes to a crashing halt. Claudette is walking to the bus stop from the juvenile correction center where she volunteers her time, and she is gunned down in a seemingly random drive-by shooting. In the blink of an eye, Claudette's kids are without a parent once again, and their lives will never be the same. They now own a house, and a \$500,000 insurance policy is to be split between eight kids. However, they soon discover that they have also inherited enemies no one knew existed in Claudette's world. Uncle Snap was well aware of those enemies, and after one of the children happens upon a lockbox with keys, codes, and monetary figures, Uncle Snap presents them with a video Mama has left, revealing the truth about her nefarious activities. A secret bunker underneath the house opens their eyes. It is filled with money, drugs, and specific directions from Claudette, who built an empire from the ground up. The Syndicate is what Uncle Snap calls it, and since Claudette is dead, it is up to the kids to keep it going. The Syndicate is a criminal enterprise that traffics millions of dollars of drugs throughout the United States. From the Port of Miami to the border of Canada, The Syndicate is a force to be reckoned with. Unbeknownst...
