Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. There are a lot of things in this world that are easy to escape from. Having a son you didn't ask for isn't one of them. Mack is a nomad. He likes his own space, and he struggles with emotion. His past is gray, and his future looks about the same. That is until his ex-girlfriend dies, and his son is handed over to him. A two-month-old baby he didn't know existed. Until now. His world comes crashing down around him. Desperate, he hires a nanny. Jaylah has gotten herself into some serious trouble, so when she sees the job opening for a nanny pop up, she jumps on it. Of course she's not a nanny, but she figures she can pull it off. I mean, how hard can it be? She's thrown into a world of diapers, hourly feedings, and a whole lot of laundry. She's also introduced to the most rugged, gorgeous man she's ever had the pleasure of meeting. The best part: He's the baby's father. The worst part: He's a biker. Their sexual tension is huge, but he's a hard nut to crack. She'll get in, though. She makes it her mission to break through the wall Mack has built so high around himself. Her world is about to spiral out of control, and she's taking Mack along for the ride.
