Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Doctor Baya s wife, Charity has tested positive for HIV. The family is in danger of breaking because the source of the infection is not clear. Charity s mind is fixed that her husband is the one who has infected her. This comes out early on the day she is discharged from hospital after an attack of shingles. Baya cannot understand how this is possible for he has been faithful to her from the day they married. Then his past escapades, before he got married, come flooding his mind and these thoughts are haunting him day and night. In a drastic move he has become suicidal and engages in what is taboo in his society - prepares for his own funeral; his wife s and that of one of his children that he believes to be infected as well. His unusual behaviour has attracted the attention of a recently set police unit, CID-OBS, that is mandated to deal with people engaged in occult practices. He has finally come to terms with his situation and has decided to live his remaining days to the fullest and for as long as possible. This leads him to try everything that can reportedly prolong life until death arrives or a cure is found. When a doctor in Kivalied, a country up in political flames, claims to have found a cure for HIV/AIDS Baya is off to find him without a second thought. The following adventure proves more dangerous in the immediate future than what he is trying to fight. The hospital where Baya works is planning a group insurance policy for its staff. One of the requirements is that all beneficiaries must...
