The Sheikh s Pleasure garden was full of nubile young women; all paying for the crimes of their fathers and brothers with their horny bodies. There were more pretty innocents to come though and then the Garden gets too full so some of the girls are moved to another of the kingdom s entertainment sites: Ashley s Submission Ashley was a little shy and awkward and around men. All the same, the bright, very attractive twenty six year old travel agent was very popular and very successful at her job. Headhunted by a mysterious man, claiming to be a client, she was recruited into a very exclusive agency that was staffed only by beautiful young women. Very quickly Ashley finds she is no more than a sexual pawn. Taken At Sea Sunbathing topless on the fantail of her parents superyacht, Sophie s entire life changed when they were hijacked by Somali pirates. Her beautiful mother became the ship s whore and Harriet had to adjust to a new role as the Captain s slut! The Ponygirl Stable Sophie s life was all about a routine of relaxing in the luxurious garden, punctuated with being fucked by whoever the Sheikh wanted, however he wanted. And then the routine suddenly changed. Picked out with several others, she was bundled off to a farm to be trained as a pony.
