America Star Books, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.In this book, P. Aardenrondt is interviewed by a young journalist from a local newspaper. He and his wife adopt the article properly. Once published, it appears to be an innocent enough piece, but it actually turns out to be disastrous. The stories in this volume are very diverse, sometimes sad, sometimes hilarious and sometimes even bizarre. They have one thing in common: they are about ordinary people and (usually) about ordinary situations. All the characteristics of a human life, such as love, sex, betrayal, humor, loneliness, friendship and death are discussed. Martin van Gorp (Amsterdam, 1954) is married, works for the government and loves opera, theater, photography and (historic) atmosphere stories. He writes stories. These are usually pure fantasy, some are adaptations of events that have really taken place. Some of his stories are now brought together in the collection. See it and the other short stories in this book.
