Surviving Disaster Without Leaving Home (Paperback)

By Andrew E Jones, Michael Riemann

Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Imagine a scenario where all of the public services and normal environment you now live suddenly disappears. A disaster, either man made or natural will generate the same result. Suddenly you find yourself on your own. There are no police to protect you, no fireman to rescue you; for one reason or another you are cut off from the outside world. The stores are all closed or inaccessible, there are no gas stations open for 100 miles. Evacuation may or may not be an option. In any event, you decide to stay where you are and to make do with what you have. However, if you decide to stay, this book will help you prepare to shelter in place. By following these procedures, you can make your sheltering-in-place scenario more livable. One of the most important decisions you will ever make is whether or not to tough it out during a storm or to stay in place during an unrest of nature or man. The reason it is so important is that it has mortal consequences. Truly the best decision is the one...
