By David Dobson, Kit Dobson

Clearfield, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.David Dobson s first new effort of 2005 tackles the subject of Scottish emigration to the island of Barbados. Drawing upon a wide range of manuscript and published sources originating in Barbados, Scotland, England, the Netherlands and the U.S., the author here identifies about 2,500 Scots or their progeny who made their way to Barbados. Most of these emigrants left Scotland in the 17th and 18th centuries. Since vital records comprise a large number of the sources for this book, the researcher will find that most Scots are identified by name, date/place of birth, baptism, marriage, or death; name of spouse or parents; and sometimes occupation, reason for transportation, ship, religious or political persuasion, miscellaneous pieces of information, and the source.
