Dimensions: 9.0in. x 6.0in. x 0.3in.Excerpt from The True Church of the BibleChrist founded a Church - one Church, and one Church only. This is a fact acknowledged by all Christians. The Bible, all equally acknowledge, points out, in clear decisive terms, the nature and characteristics of that Church. All Christians, no matter how widely they differ in religion, claim for the particular Church of which they are members the title of the Church of Christ - the True Church of the Bible. It is self-evident all cannot be right. It follows, then, that millions of Christians must be living in error - millions that fondly and firmly believe that theirs is the true Church of the Bible. To help these to see their error is the object of the writer of the following pages. Knowing the suspicion with which Protestants regard the Catholic translation of the Sacred Scriptures, he has used the Anglican version, in the hope that these pages will be studied by them, and that, being convinced by proofs drawn from their own translation of the Bible that the Church of Rome is the one Church founded by Christ - the true Church of the Bible - they will not hesitate, in spite of all human ties that may have to be broken, in spite of all the sacrifices that may have to be made, to enter and become members of that Church in which alone is salvation and life eternal.
