From here on in, it's intimate dinners with Rick in posh Palm Beach followed by rock-your-world sex. Who'd have thought that doing the right thing would turn out to be more deadly than her former life of crime? When the first client of her new security business is murdered, Sam is determined to find the killer. Now if only she can manage to stay out of jail, resist her former associate's lucrative job offers, and keep Rick from sticking his nose into her business, she might just manage to stay alive.
