

I Have Autism and I Like Girls Too: Fetishes of an Autistic Man

By Travis E Breeding

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is book one of a multi-series book of what I perceive to be some of my fetishes that I want to experience or have experienced in my life. Having autism makes it difficult to be like others in the sense that I already seem different to people, but really I am no different and this series is just a few of my thoughts. This series will detail each of my fetishes one by one. Being autistic means many different things for me. It does not however mean that I am not interested in women or sex. It does make it more difficult for me to communicate my sexual interest in someone without making them feel uncomfortable or having them make assumptions about me that are based upon false beliefs that they have been conditioned to believe by society. That is one of the main reasons for writing this book. I want to inform and educate the reader about how autistic people are really just like any other human being on the planet in many ways. I am...
