

Winning the Institutional Investing Race: A Guide for Directors and Executives (Paperback)

By Michael Bunn, Zack Campbell

aPress, United States, 2015. Paperback. Condition: New. 1st ed.. Language: English . Brand New Book. The complexity of investments continues to grow, and institutional pools of capital from endowments to pension funds are suffering from too much risk and not enough return. Yet managing these investments and creating and implementing governance structures are seldom an integral part of the organization's core mission or its operations. That's the way it has always been, say many directors and executives. As a result, a board of directors or investment committee often believes it needs to make all the decisions--or outsource money management and hope for the best. As *Winning the Institutional Investing Race: A Guide for Directors and Executives* makes clear, that sentiment is a big mistake that can lead to poor returns, reduced capital to employ on behalf of the organizational mission, and even charges of malfeasance on the part of directors. Authors Michael Bunn and Zack Campbell, who advise companies and institutions on best practices in institutional investment, are determined to help institutions and companies learn to manage their capital funds like the real businesses they are. This hands-on book will show you: The importance of governance in creating...
