It is needless to say that, after this sally of wit, the duel was not mortal. The adversaries exchanged shots without hitting each other, and then they shook hands and went off arm in arm. 80. The first thing that men learned, as soon as they began to study nature carefully, was that some events take place in regular order and that some causes always give rise to the same effects. The sun always rises on one side and sets on the other side of the sky; the changes of the moon follow one another in the same order and with 1 No art. hereafter. 2 Obs. D.
